Headline:
Mostly cloudy with scattered showers this afternoon, heavy in places.

Today:
Rather cloudy to start with the odd spot of light rain. Brief brighter, perhaps sunny, intervals are likely to develop for a time, before further cloud spreads east, bringing occasional showers for the afternoon, heavy in places. Maximum temperature 21 deg C (70 deg F).

Tonight:
Showers clearing eastwards through the evening to leave a largely dry night with variable amounts of cloud. Light winds may allow some patchy mist and fog to form by dawn. Minimum temperature 13 deg C (55 deg F).

Friday:
A largely dry day with broken cloud allowing for some spells of sunshine. It will feel warm with light winds. Maximum temperature 23 deg C (73 deg F).

Outlook for Saturday to Monday:
Saturday starting bright, but thickening cloud bringing outbreaks of rain later, heavy in places. Rain clearing to sunny spells and heavy showers Sunday. Sunny spells and a few showers Monday.
